No hay problema , te incluyo la foto nuevamente. Me indicaron que la EPA, le dio unos mapas de áreas contaminadas en Cabo Rojo, a la Directora de Sabana Grande , Kiomara Linares, y este site no aparece en esos mapas. Verifica y me dejás saber si esta es un área segura para los menores , para proceder con los arreglos al local para la mudanza.

Mil gracias,

Olga I. Bernardy Aponte Ph.D (c)

Buenos Dias, Olga!

Perdona el inconveniente. La Agencia, EPA, esta en el proceso de cambiar el programa de correo electronico. Por razones que desconozco borraron el mapa y recibí el mensaje que esta mas adelante donde me dicen que no ellos borraron el retrato que enviastes y que te pida de favor que re-envíes la imagen con otra extension. Es la 1era vez que me sucede esto. Enviame el retrato con el nombre de image001.doc y yo lo cambio a .jpg cuando me llegue.

Gracias

Denise Zeno

This Email message contained an attachment named
image001.jpg
which may be a computer program. This attached computer program could
contain a computer virus which could cause harm to EPA's computers,
network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced
into the EPA network. EPA is deleting all computer program attachments
sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
